EXPERIENCE

UCI Health and Information Lab (HAI) | Research Assistant
Irvine CA, Sep 2018 - Present
Assisting in study on understanding emotion and thought responses to data engagement. Developing study procedures and recruitment. Creating low-fidelity and high-fidelity prototypes for experiments. Collecting data through think-aloud exercises and surveys.

UCI Student Government and Media | Design Editor
Irvine CA, Aug 2018 - Present
Responsible for coordinating layout and design of 2018-2019 UCI Anthology. Delegate tasks to design interns and approve pages created by them. Create style guide to be used by yearbook staff. Leading a design team of five interns.

Hyperion Industries/CARPA Initiative | Media Director
Carson CA, Aug 2016 - Jun 2017
Created company identity and branding guidelines for a mock engineering company. Earned higher scores in presentation category at every checkpoint than competing team. Delivered brochures, posters, video ads, banners, and other various promotional material.

Tesoro Corporation (now Andeavor) | Summer Intern/Editor-In-Chief
Carson CA, Jun 2016 - Aug 2016
Selected as one of 50 summer interns out of hundreds of applicants Responsible for delegating yearbook tasks to other interns and staff. Created 56 page yearbook of the Tesoro Summer Youth Intern program for print in Adobe InDesign in seven weeks.
